Three Seasons.

A cup for hope." she said, In opting time are the bloom was old; crimuco wine was poor and cold By her mouth's righer red.

"A sup for love!" how low, How soft the words; and all the while Her blush was rippling with a smile, Like summer after snow,

Old up that one must drain alone; While autumn winds are up and mean Arrow the barren sea.

Hape, memory, love, Hope for fair morn, and love for day, And memory for the evening gray -Christian Espetti.

Had you sir," said Henry Erskine to a dilatory corpenter, "been there to build the ark, we should not have had the flood yet."

The editor of a religious paper is mad because he undertook to state that Mr. Spurgeon, in his " Sword and Trowel," said so and so, and the printer called it "Shirt and Towel."

When a fellow nearly breaks his neck trying to get out of the way of a lightning-bag, supposing it to be the head-light of a locomotive, it is time for him to sign the pledge. " Did anything about the defendant strike your

eye as remarkable?" asked the judge of the plaintiff in a case of assault and battery. "It did, yer Honor." "And what was it?" continued the Judge. " His fist, yer Honor."

The Duke of Brunswick, 86 years old, is about to marry the daughter of the expatriated King of Hanover. As he has no children, and as the Salic law does not role in Branswick, the old Dake thus proposes to get a successor to the throne. The princess is about 26 years old.

A Utica paper, ridiculing the ridiculous little county fairs, which make no effort at good shows, says that the Clearfield Fair consisted of a calf, a goose, and a pumpkin. It raised so hard the first night that the goose awam off, the calf broke loose and ate the pumpkin, and a thief prowling around etole the call, and that ended the fair.

It has been thought that to turn the desert of Sahara into a sea would injuriously affect the climate of Southern Europe ; but M. Grad writes to the French Academy of Sciences that the evaporation might merease the rains, but would not otherwise affect the atmosphere, as the prevalent winds are independent of the physical condition

"Your Honor," said a prisoner to a Paris judge, "my lawyer is not bere, and I request a delay of the case for eight days." "But," said the Judge, "you were caught in the not of theft; what can any lawyer say for you?" "That is just what I should like to hear," said the prisoner; and the Court laughed, but sentenced him to a year.

The difficulties attedant upon the breaking off the babit of chewing tobacco were never more vividly described than by the man who said that in freeing himself from the thraldom of the weed he chewed seventeen papers of cammomile flowers, five pounds of stick liquorice and slippery elm, eat up four crash towels, three napkins, and a dozen pocket-handkerchiefs-and then went

The plans of the railway which is to ascend Mount Vesavius are now complete. The route will be 16.1 miles in length. The grades are 20 and 34 feet in the hundred, and the road terminates at a few feet from the crater. There will be one station, protected by a sort of break-lawn.

The Cogan Packet Lice, Dr. Jayne & Sor's Celebrated Medicines, Willed's Sewing Machines, While & Wilco's Sewing Machines, Hamakoa Plantation, be one station, protected by a sort of break-lava, which will divert the flow in case of eraption, from the building and rails. The road is so laid out as the building and rails. The road is so inid out as to be naturally sheltered at every point, except WARRANTED. For Sale by WARRANTED. For Sale by BOLLES & CO. for a distance of about 60 feet.
